The Accessibility Resources Office (ARO) and the Longwood Center for Visual Arts (LCVA) announce a call to artists and visionaries for the First, People Exhibition.

Artists are encouraged to create a piece that shares their perspective of disability and what that means to them. This exhibition will showcase any form of art, whether it be photography, mixed media, painting/drawing, dance, music, or written word - all will be accepted!

The exhibition is open to all faculty, staff, students, and alumni. If you would like to participate but find yourself lacking supplies, please contact the Accessibility Resources Office. There is no charge for your submissions. Artwork must be submitted by February 15.
